Name (First and Last):

Password:

Submit

RUC!

Success!

We have received your email/password request.
Forgotten passwords should be received via email shortly.
Forgotten emails will receive a message at the email registered to the user.

Home

RUC!

Oh, no!

It looks like we don't see that email as a user on RUC!
Please go back to the home page and try again.

Home

RUC!

Oh, no!

We don't recognize that name/password combination.
Please go back to the home page and try again.

Need to design Email Forms

- O.user -> mod (forgot email)
- N.user -> mod (need access code)
- System -> O.user (forgot email response)
- System -> O.user (forgot password response)
- Mod -> N.user (sending access code) (not system so Mod can check ok/on list)
